MEET THE OWNER

Ivan Brnas is the heart and soul behind Queen Eleganza. Since her launch in 2018, he has been more than just the owner; he is on board, working closely with the crew to make sure everything is perfect.

With a background in leading large international projects, Ivan brings a sharp eye for detail and a simple goal: to make every guest feel truly welcome. For him, the yacht isn't just a business, it is a personal commitment to quality.

"For me, true luxury is when every guest feels completely at home on board."

WHAT OUR GUESTS SAY

Reviews

"The crew really made this trip special. The boat is wonderful, but the crew was very attentive, accommodating, and FUN! Additionally, the two chefs made every meal unique and delicious. I would highly recommend the Queen Eleganza for medium-large groups and would sail on her again."

Daniel M.

"We had an amazing time aboard Queen Eleganza! The crew was warm and welcoming, always smiling, and the service was top-notch. The food was absolutely outstanding, every meal was a highlight. Truly an unforgettable trip!

Congratulations for the best chef I've had in a long time. you should give him a raise and award always with a smile and the best attitude and he work so hard."

Laura A.

"The boat was beautiful. The crew were so friendly and accommodating. We can't think of a better way to see the country and loved our mix of port and anchor days. We were very pleasantly surprised by the food and I appreciated that my vegetarian diet did not limit me, there were always plenty of options. Our only complaint would be that the air conditioning just didn't seem to be able to keep up with the heat wave. Our cabin was uncomfortable at times and the dining room especially was so warm we found ourselves rushing through meals so we could leave as it was making us feel sick. But all in all was a trip we will never forget!"
